## Breakdown of property's energy performance

### Features in this property

Features get a rating from very good to very poor, based on how energy efficient they are. Ratings are not based on how well features work or their condition.

<https://find-energy-certificate.service.gov.uk/energy-certificate/2194-1114-1908-1551-5198>

Assumed ratings are based on the property's age and type. They are used for features the assessor could not inspect.
